Note to parents: Serving Mass is an important ministry in the Church. By encouraging your child to commit to this ministry you are teaching him/her the importance and value of giving back to the Church. The sharing of one's time in thanksgiving to God for the blessings one has received is an important aspect of Stewardship. Please be aware of your responsibility in seeing that your child fulfills his/her obligation to this important ministry. Guidelines and instructions will be given on the day of training along with a list of current servers with their contact information. Please help your child live up to their responsibility by seeing that they arrive at mass on time on their scheduled day or contact a substitute server if they are unable to serve at their scheduled Mass.

Please return this form to MaryAnn Dulay at the Parish Office.
